Registration begins on Monday, June 15.

Our Kickoff Event!!!

On Monday, June 22 @ 6:30 pm, ScienceTellers will present their “Dragons: Return of the Ice Sorceress” show via a Live Zoom meeting. Watch a fun, fantasy adventure and along the way you’ll discover just how ‘cool’ matter can be! Throughout the showing, the host will answer questions, conduct polls/quizzes, and even teach a science experiment you can do at home. No Zoom account is required to watch, but you will need to register with us. Watch for more information!

Read and Bead!

This summer we are very excited to try a new program!

As part of our online summer adventures, you can earn special beads for the books you read and the activities you do.

When you register, you will pick out a colored cord that will hold the beads you earn.

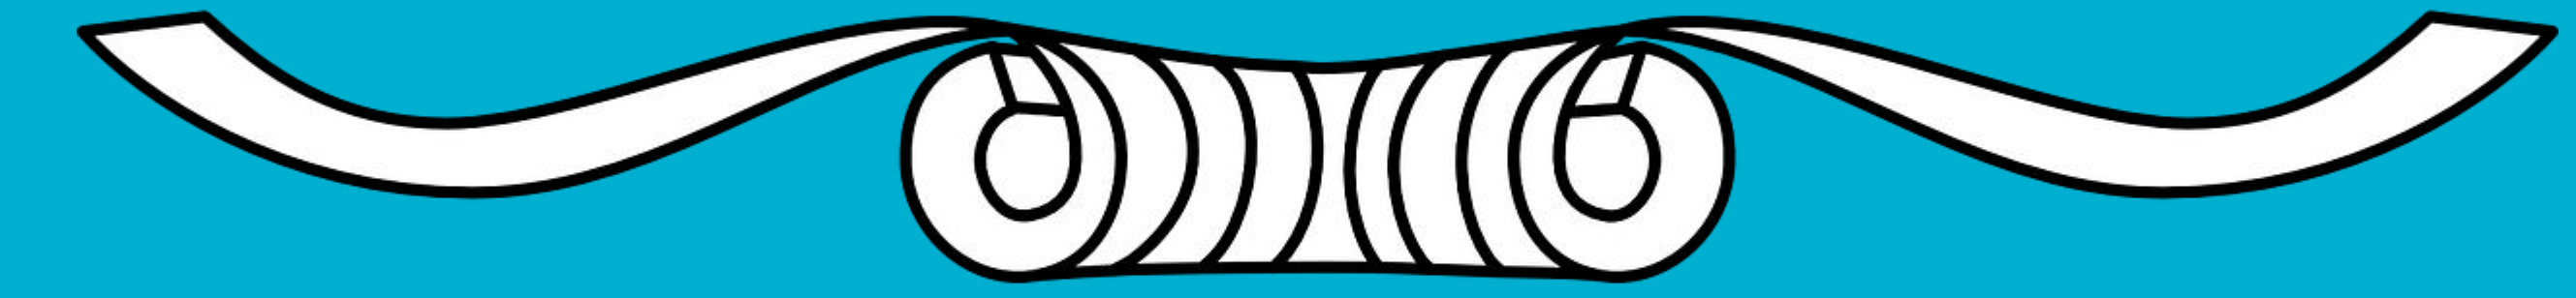

You also have the chance to earn a “Brag Tag” which will have the summer slogan on it.

The colored cord, the beads and the “Brag Tags” will all be available through curbside delivery, just as the books you borrow and any materials we distribute for programs.

Each time you earn a bead you also earn a raffle ticket for a special end of summer prize.

Just for Teens!

This summer we are going to be offering some amazing activities right in the comfort of your own home!

Virtual Escape Rooms, Book Clubs, Zoom Trivia Games, Virtual Challenges and more!

Sign up and enjoy the fun!

Register for Summer Adventures online – Registration information can be found at whipplefreelibrary.readsquared.com.

You will track your progress online as well. Please reach out to the staff at the Whipple Free Library if you have any questions.

Registration begins on Monday, June 15.
